Dear Prof. Alexander Meskhi,

Please accept my deepest apology for delay in payment of honorarium for evaluating PhD Thesis of Mr Mian Muhammad Zobair and Mr Tahir Imran , candidates of PhD (Mathematics) of Riphah International University, Islamabad, Pakistan. In fact the process of payment was initiated earlier but our Finance Department faced problems in transferring US\$ to your Bank account due to certain documentary conditions imposed by State Bank of Pakistan.

The State Bank has asked for formal Agreement between the two parties and Invoice from the payee. I have attached Agreement and Invoice for each candidates. These are editable. You are requested to please check and correct (if required) , then endorse your Signature on the documents and send scanned copy through Email.

I , once again, extremely apologize for the delay which was absolutely beyond our control.

Best regards,

**Abdul Hafeez Shaikh**
